- Providing cardiac care to poor children who are unable to afford it.
- Providing cardiac surgery, cardiac catheterization, and cardiac rehabilitation.
- Providing cardiac care to poor children who are unable to afford it.
- Providing cardiac surgery, cardiac catheterization, and cardiac rehabilitation.

**CC** The main mission of the Needy Heart Foundation is to reach out to every family, bring them together to provide treatment by building a multi-disciplinary support system. The Foundation works on three main pillars - the first priority for heart surgeons is children, then the commitment of families, irrespective of their age, and lastly others, including senior citizens.
